

# The MJE Birthday Book Club

Anyone can participate in this program: parents, aunts, uncles, grandparents, etc. You can do your share to help the MJE Library grow. The library staff and volunteers look forward to sharing the excitement of your child's birthday and other special events in this thoughtful way.

Summer birthdays are invited to participate during any time of the year. You may also choose to celebrate your child's half birthday.

## Here's How it Works!

1. Send \$15.00 cash (to assist with the cost of the book) and the completed form to the library. We will add your child's name to our birthday calendar!
2. Before your child's birthday, we will have him/her come to the library and select a book.
3. A book plate will be placed in the book indicating that the book was chosen by your child in honor of his/her birthday and will include the date.
4. During the week of your child's birthday, they will be recognized on the morning announcements **OR** The Birthday Fairy will visit them in their classroom. Also, the book will be checked out to the birthday boy or girl. The book should be returned to the library as soon as possible within two weeks.

Please complete the form below and return it to the library with \$15.00 (cash only) as soon as possible.
